

Post Defense™ Chamfered Porch Posts

- ◆ Real wood turnings
- ◆ Primed for easy finishing
- ◆ Sealer applied to bottom of post
- ◆ Post defense limited lifetime warranty

Turncraft's Chamfered porch posts have styling borrowed from a century ago that is still very popular today. The simple yet elegant design will add beauty to just about any project with real wood durability. Chamfered posts are offered with our exclusive Post Defense™ process which helps protect the bottom of the posts from moisture and come factory primed for ease of installation. Turncraft's Post Defense™ products come with our limited lifetime warranty which is the best in the industry.
